**Camp Colley. The perfect environment for kids to thrive.**

For some kids, the great outdoors is a foreign place. They've never stood underneath a towering oak, never skipped stones across a sparkling lake, and never witnessed the wonder of a shooting star. Camp Colley was created just for these kids. Nestled in the inspiring Ponderosa Pines on Arizona's Mogollon Rim, Camp Colley is a secluded adventure camp that introduces underprivileged youth to the fun and education of outdoor recreation. The camp, which is owned and operated by the City of Phoenix, is one of Arizona's most effective interventions for at-risk, inner-city youth and people with life challenges.
