

Thank you for making a donation to Camp Colley Foundation. A gift of any amount directly supports our efforts to provide scholarships for low-income Phoenix children to attend summer camp.

As a qualifying charitable organization, our donors may take advantage of the Arizona Charitable Tax Credit. The limit for Charitable Organization Tax Credit donations is \$400 for an individual and \$800 for a married couple filing jointly. Anyone who files taxes in Arizona can claim this tax credit. It is separate from other tax credits, such as the private and public/charter school tax credits. So, that means you can claim them all.

It's easy! All you have to do is make a donation to Camp Colley now, and then fill out Form 321 with your state taxes to claim the credit. Please be sure to include Camp Colley's Qualifying Charitable Organization (QCO) code 20872. You will then receive a 100% credit for the donation you made when you file your tax refund.

Many corporations will also match employee donations to charities. Contact your HR department to see if your employer will match your donation!

Camp Colley Foundation scholarships are 100% funded by individual donors, local community foundations and Arizona businesses.

Donations can be processed by visiting www.campcolley.org/donate or if you prefer, please complete the form below and return in the enclosed self-addressed envelope.
